HOW WE HANDLE PERISHABLE GOODS

We ensure all perishable shipments are handled with the utmost care and speed.

Commodity: Fresh Flowers (PER Cargo)

Handling Requirements: Stored in cold rooms and transported under strict temperature control to maintain freshness throughout the transportation.

Remarks: As time-sensitive cargo, all shipments are handled on a priority basis to ensure timely delivery within 1 day.

GALLERIES

unity

Da Lat – one of Vietnam's largest flower-growing regions, renowned for its year-round cool climate and vibrant, high-quality blooms

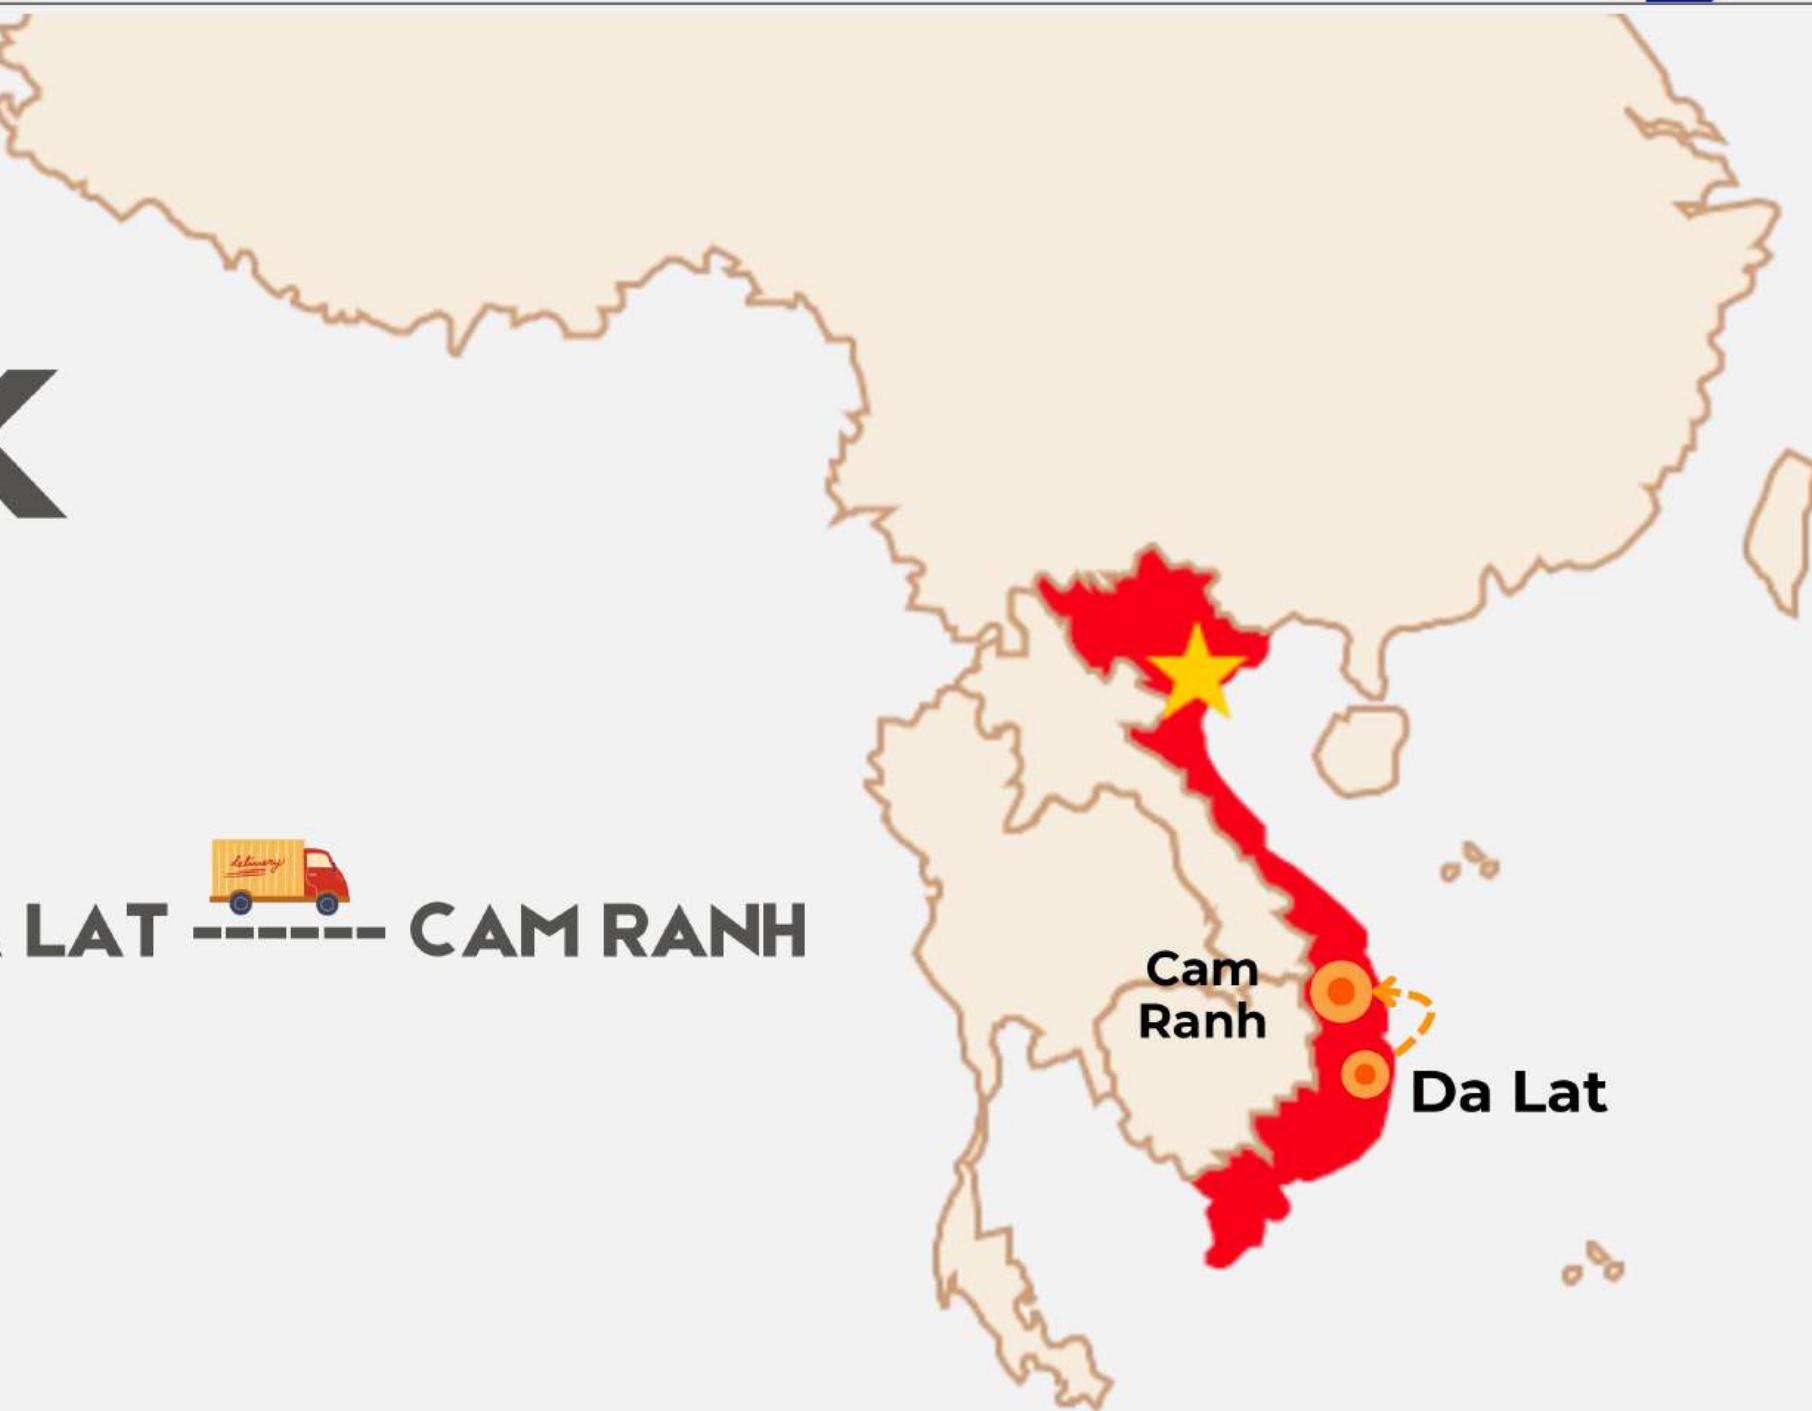

SCOPE OF WORK

After customer confirmation, UNITY arranges reefer trucking from Da Lat warehouse to Cam Ranh airport

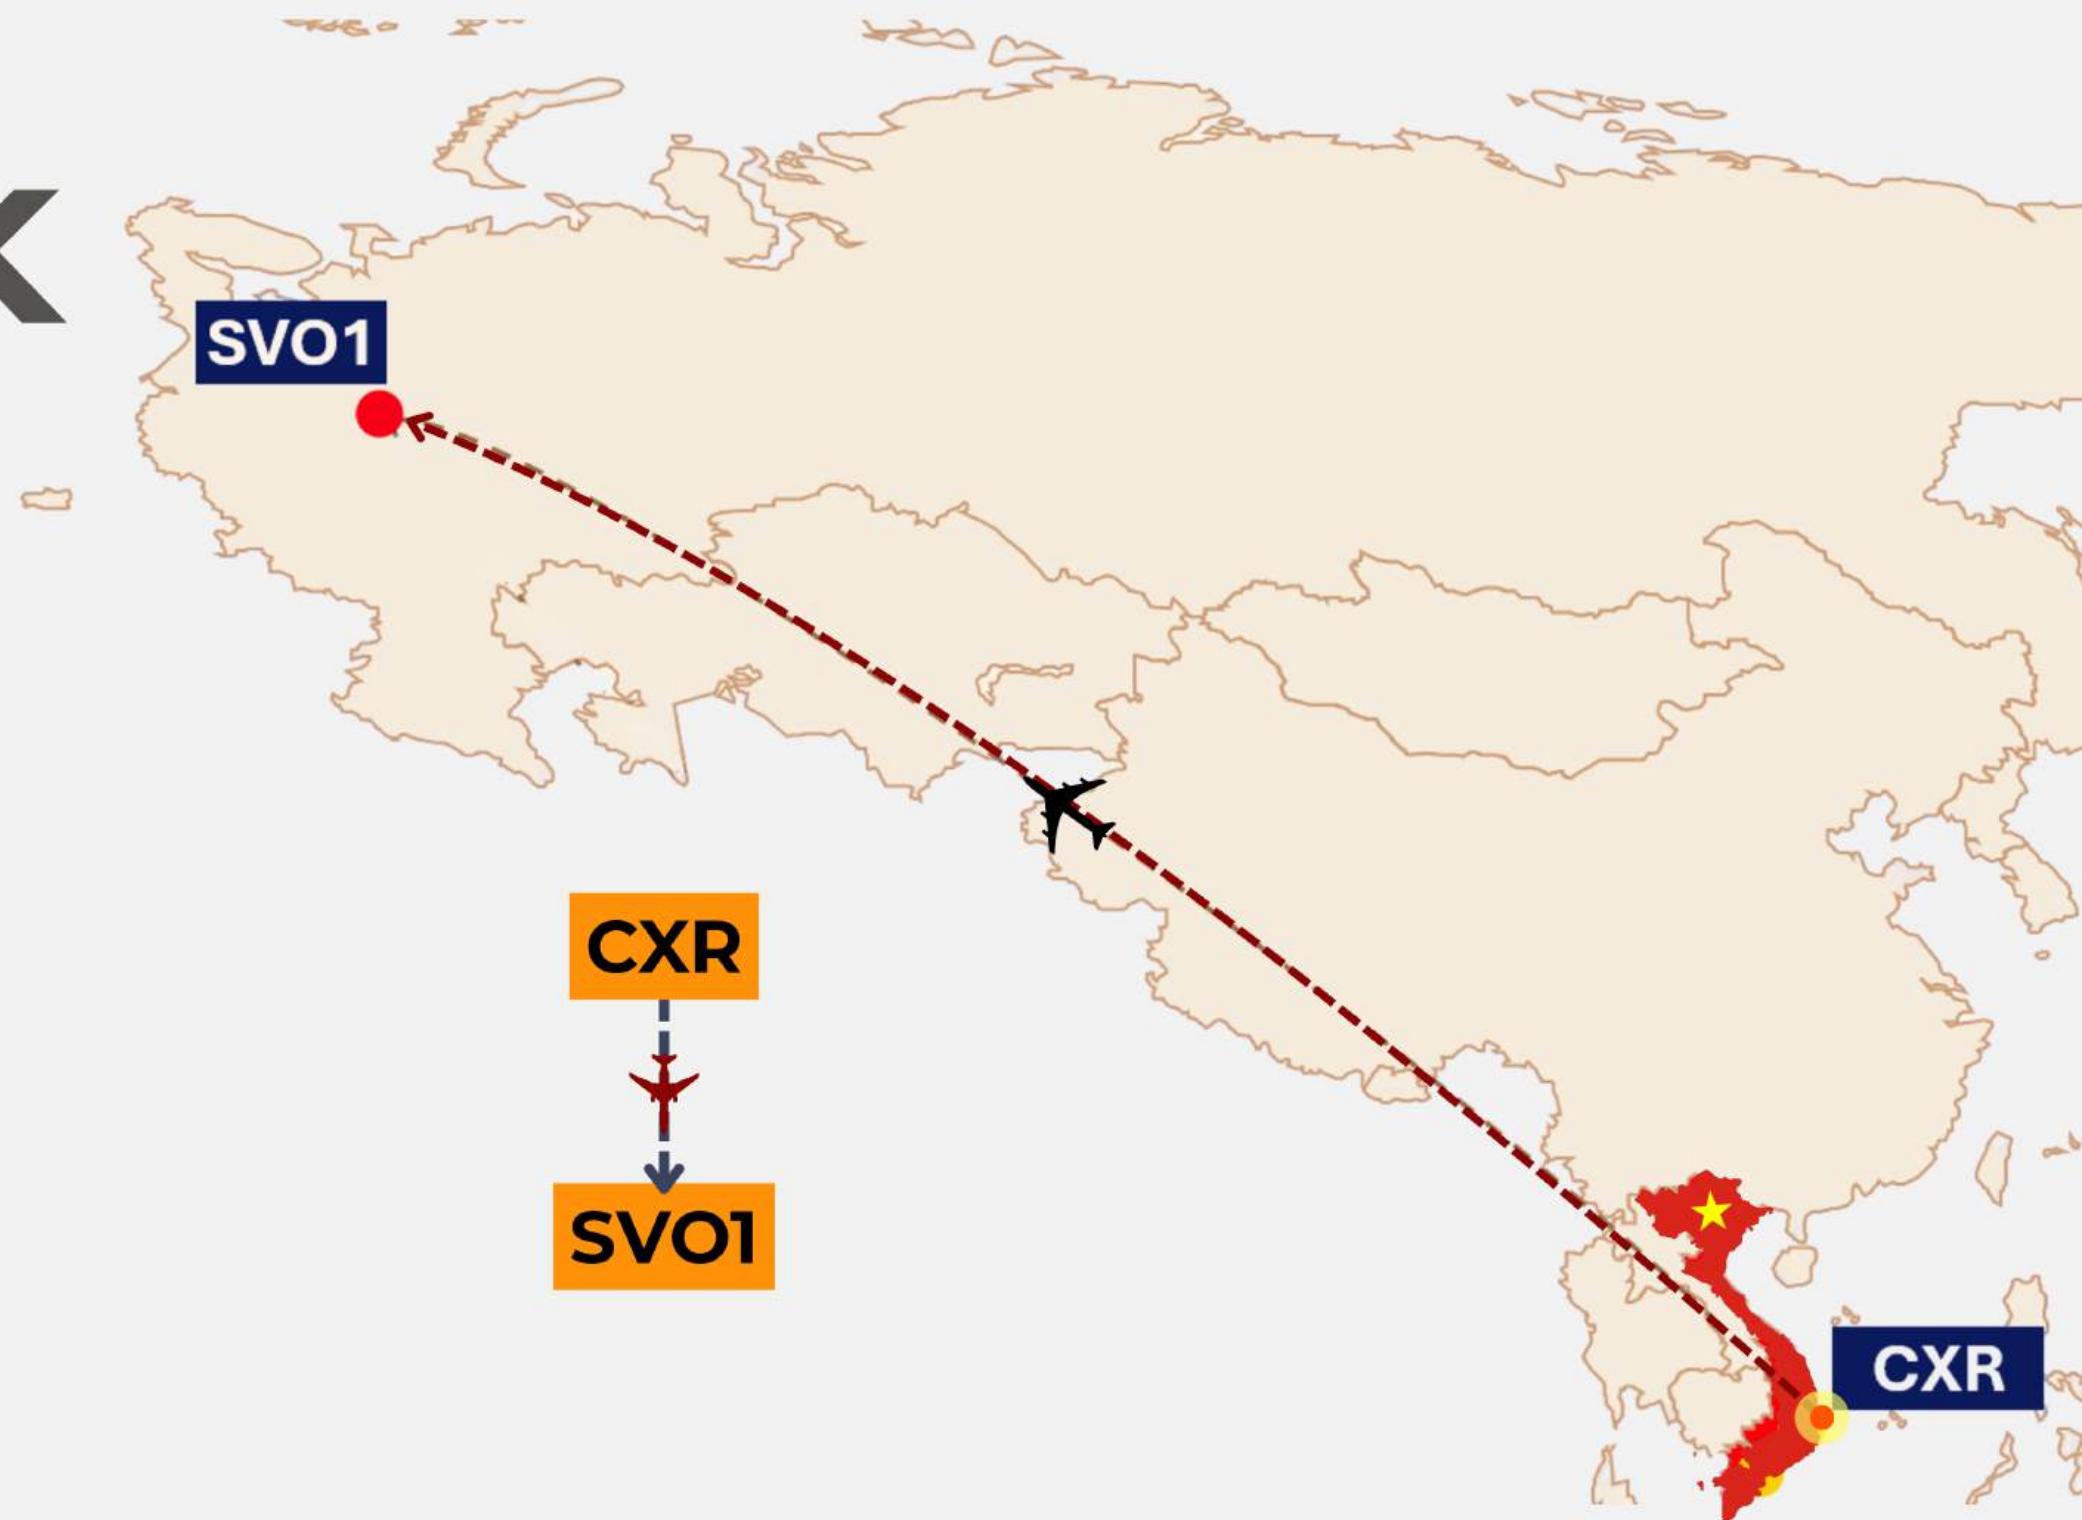

At Cam Ranh, we handle the customs clearance procedures before air shipment.

DA LAT ----- CAM RANH

SCOPE OF WORK

UNITY books airfreight from Cam Ranh (CXR) to Moscow (SVO1) and handles export procedures.

OUT COME

- Cargo delivered on time, no hidden costs
- Positive customer feedback
- Demonstrated flexibility and speed of Unity

KEY TAKEAWAYS

- UNITY expertly manages air export of fresh flowers from Da Lat province via Cam Ranh airport.
- Comprehensive cold-chain handling ensures freshness from farm to flight.
- Trusted partner for time-critical and high-value airfreight solutions.
